Lessons Learned

Don't use Lorem Ipsum.

**Take advice with
a grain of salt.**

**Learning to design is like
learning to play the piano.**

**Find the challenge in every
project.**

**Other designers are not
your audience.**

SF is not your target.

Beauty is not the goal.

Design stories, not screens.

**Typography is the central
component of a portfolio**

Read. Read. Read.

**Design is not only how it
looks, feels, or works.
Design is how it affects.**
